

Dear Members & Friends:

The conference committee is happy to announce that we will be bringing back BINGO this year!

***Wednesday Night, May 22 from 7:30-9:30***

Come join the executive board members along with the conference committee for 2 hours of fun!

**Make sure to bring door prizes whether you plan to play or not.** The prizes do not have to be big or expensive, perhaps a shirt from your school, a mug, or a gift card. It's a time to network with fellow financial aid professionals and have a great time doing it.

So, whether you need your GPS or using your "Roadmap to Success", they should all lead you to an exciting time.

As your conference co-chairs, Merrian and I look forward to seeing many of you there!

*Nathan & Merrian*
