

Irma Molinares

School Relations Director, Solutions at ECMC

Hello FASFAA Region 3 Members!

My name is Irma Molinares, I want to thank you for the opportunity to run as a candidate to be FASFAA Region 3 Representative for the next 2 years, It's truly an honor to give back to an organization that has provided so much to me for so many years.

I have been an active FASFAA member for the past twenty-five years. I began my career in higher education in 1993, holding several positions such as Work-Study, Financial Aid advisor, Director of Financial Aid, Director of Compliance, Director of Sales, and currently School Relations Director at ECMC. Through the years my involvement with this association has included serving on conference committees and presenting on different topics at a regional and state level to the association. For the last 2 years, I have been serving on the FASFAA Executive Board.

Not unlike our profession, I've seen FASFAA undergo many changes over the past few years and am excited about where we are headed. This is a hard working association that strives for excellence in all that the profession represents. If elected, I promise to serve FASFAA actively, striving to keep its mission ever in focus through dedication to service.
