

Eileen Brzowski
Statement of Candidacy
FASFAA Secretary

I would be honored to serve on the FASFAA Board of Directors in the role of secretary.

I have prior volunteer experience at the state and national level and would look forward to the opportunity to become more engaged in Florida and give back to the financial aid community. My prior board experience includes serving as the Independent Segment Representative for the California Association of Student Financial Aid Administrators (CASFAA) and as Public Policy Director and Training Director for the Junior League of Los Angeles. I also previously served as Secretary of the Junior Leagues of California State Public Affairs Committee.
