**Policy & Procedure: Changes/ Recommendations:**

Recommendation for Policy 3.2 Membership Dues: Is it possible to have annual dues cover for a year period in which the member signs up. Members that join later in the fiscal year receive less benefits than those that can join in the beginning of the fiscal year. If possible, can we allow the annual dues to cover for a year based on when they make their initial due payment. I received feedback from some members that this is unfair for those that join later in the year.

Recommendation to have Reconciling Bank Statements be updated based on the information from the Auditor if released at this time.

**Motion/ Action Item(s):**

I motion to have a discussion on if we can re-evaluate the time-period for which annual dues cover.
