Angelica may have her region workshop virtually; all other region representatives are having their workshops in-person. Once all workshop details are in place, the calendar on the OneDrive will be updated.

Jessica is working with Angelica Parrales on future webinars. The updated schedule will be included in the OneDrive calendar soon.

President-elect Mwango is still working on a strategic plan and reaching out to people to gauge interest for the next elections. The first task force is meeting later this week.

**Budget and Finance Update** Arminta Johnson

The budget was approved with some minor adjustments, such as different webinar packages, which will save FASFAA money.

The final reconciliation from the last couple of months for the end of the year audit is being worked on. Will request an IRS tax extension if needed if the taxes are not able to be completed on time and to support a potential audit.
**Membership and Volunteer Update**

Jody Walker

The committee met in September for the first time, new members are still welcome. The purge project for MemberClicks is still ongoing with Eddie. MemberClicks costs will increase in the next year.

The volunteer application is still being updated.

There are currently 108 new FASFAA new members and 640 current members.

**Global Issues and LEAP Update**

Brenda Ilojiole

The Global Issues calendar is sent via email for October.

Website updates are current on the website and will be updated bi-monthly.

LEAP applications were recently open, and the committee has been meeting. Applications closed yesterday. More mentors are needed to be matched with the mentee applicants. The applications will be reviewed in mid-October so that notifications can be sent to everyone selected for this year’s cohort.

**Conference Committee Update**

Joan Bailey

Joan and Christina are meeting regularly to work on planning and details for the conference. They are currently having 1:1 meeting with Jessica, Jonathan, Eddy, and Brenda. Once the details are finalized, Eddy will be setting up the conference website.

The Executive Board is encouraged to complete the survey that President Lovett sent for the upcoming in-person Board meeting. The information needs to be sent to Embassy Suites by Friday.

**Scholarship and Charity Update**

Jonathan Reynolds

The Bonnie Pirkle PowerPoint template is currently being updated. Once it is updated, it will be sent to Jessica and President Lovett.

Jonathan will visit the charity site sometime this semester.

There will not be a 50/50 raffle at the conference this year. All sales will be submitted directly to the charity. Raffle tickets will be sold through MemberClicks.

The committee is looking for someone to do the cost of attendance credential for the workshop in November. Anyone interested in doing the training is requested to reach out to Jessica and Jeanne.
